

DENTAL POLICY PRICES 2019

TREATMENTS

€

1 - FIRST VISIT

First Visit and budget proposal	S/C
Follow up visit	S/C
Emergency visit	S/C

2 -PREVENTIVE DENTISTRY

Cures	S/C
Bucodental Education	S/C
Training in tooth brushing technique	S/C
Fluorations	S/C
Occlusal sealers	S/C
Mouth cleansing Tartrectomy - (both arches) on healthy peiodonto	S/C
Diet planning for caries control	S/C
Staining and plate index	S/C
Desensitizing treatment	S/C
Partial regeneration hypoplasia (by tooth)	20
Soft wound treatment	60
Mouthwash treatment (for sport)	135

3 - RADIOLOGY

Dental X-rays (periapical, fin, occlusal)	S/C
Orthopantomography (Dental Panoramic)	S/C
Crani lateral or frontal teleradiography	S/C
ATM Radiography	31
Tomographic Study (TAC) An Arcade	115
Tomographic Study (TAC) Two Arcades	150
Periodontal radiographic series	43

4 - OBTURATIONS

Provisional obturation	S/C
Simple or compound obturation	32
Reconstruction of areas	35
Total coronary reconstruction	45
Prefabricated spike or root retention	S/C
Pins or spikes in dentin	S/C
Total coronary reconstruction with carbon spikes or fiberglass	55
reconstruction of stump	55

5 -ENDODONTICS

Vitality test (per piece)	S/C
Endodontics machined with rotary material (supplement)	33
Uniradicular Endodontics	65
Multi-vertebral endodontics	95
Reendodonties Uniradiculars	84
Readdinations Multiradiculars	140
Endodontic Care (with intra-duct medication)	15
Polar protection (polar coating)	20
Polar drainage opening (without endodontic treatment)	25
Apicoformation (per session)	19
Pulpotomy (pulpa cameral)	42
Pulpectomy (more root canalic pulp)	55

6 - PERIODONICS

Diagnosis and probing	S/C
Picked selective	S/C
Occlusal analysis	S/C

Periodontogram	43
Graft free of gum (per piece)	130
Curettage for quadrant	24
Rasched and straightened root (by quadrant)	45
Periodontal surgery (surgical curettage by piece)	18
Coronary Elongation (by piece)	102
Apical replacement flap (per quadrant)	175
Widman modified (by quadrant)	218
Mucus-gingival plastics (per quadrant)	218
Tooth ferulation (tooth)	20
Tooth ferulations (by arcade) Fixed retention	140
Periodontal maintenance (per quadrant)	20
Post-operative periodontal maintenance (session)	30
Hang-up surgery (tooth)	50
Gingivectomy (by quadrant)	29

7 - ORTHODONTICS

First visit to recognize the patient	S/C
Box of orthodontics	S/C
Cephalometric study (includes molds)	45
Photographic studio	23
Orthodontic review visits	29
Periodic visits for post-treatment review	S/C
Orthodontic treatment with fixed appliances (each arcade)	275
Orthodontic treatment with mobile devices (each device)	210
Installation of auxiliary devices (quadhelix, bihelix, nance button, palatal bar, chinchamps, extra oral anchors, bumper, facial mask ...) (each device)	100
Orthodontic treatment with self-adhesive brackets (each arcade)	650
Replacement of brackets (drive)	3
Replacement of aesthetic brackets (unit)	5
Replacement of self-adhesive brackets (unit)	10
Laying retaining plates, splint or hawley, (unit)	105
Tooth ferulations (by arcade) Fixed retention	140
Tooth ferulation (tooth)	20
Fixed space maintainer	62
Mobile space maintainer	47
Renewal Mobile devices, change, loss or breakage	200
Composting of mobile or fixed devices	33
Recharge for porcelain brackets (for arcade)	410
Surcharge for fiberglass brackets (for arcade)	175
DAMON system surcharge (for a clinical case)	400
Microcargol for traction (per unit)	115
Laying of elastic buttons and class III (unit)	135

8 - FIXED PROSTHESIS

Recessed of the maintenance	S/C
Cemented or recessed crowns or bridges (applicable to the clinics that have performed the prosthesis)	S/C
Crown or acrylic provisional bridge (per piece)	19
Partial crown or embedding (per piece)	105
Metal casket as provisional	10
Corona metal casting (by piece)	92
Crown or ceramic bridge without metal type in ceram, procera, empress (by piece)	330
Crown or Zirconi Bridge (per piece)	395
Multiradicular casting stump	63
Uniradicular casting stump	50
Crown or porcelain metal bridge (per piece)	190
Crown or porcelain bridge (per piece)	200
Maryland Bridge (piece and two supports)	270
Bar Ackerman (separated crown / each section)	59

8.1 - REMOVABLE PROSTHESIS

Compostures and adjustments

Simple compositions of removable prostheses (by piece to be placed or non-collated hook) (applicable to the clinics that have performed the prosthesis)	S/C
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)	S/C
Weld hook or retainer (applicable to the clinics that have performed the prosthesis)	S/C
Renewal of removable prosthesis (applicable to the clinics that have performed the prosthesis)	S/C
Rebased with resin or similar conditioners on a provisional basis, in the removable prosthesis (applicable to the clinics that have performed the prosthesis)	S/C
Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)	S/C
Occlusal adjustments with mounting in articulator with impression prescription occlusal study (applicable to the clinics that have performed the prosthesis)	S/C
Add new pieces to made devices (unit)	31
Acrylic removable prosthesis	
Complete removable prosthesis (upper or lower)	260
Complete removable prosthesis (top and lower)	440
Partial partial removable acrylic (1 to 3 pieces)	126
Acrylic partial removable prosthetics (4 to 6 pieces)	201
Partial partial removable acrylic (of 7 or more pieces)	251
Hypo-allergenic resin surcharge (each arcade)	40
Flexible removable prosthesis	
Valplast or Flexite prosthesis from 1 to 2 pieces	374
Valplast or Flexite prosthetics from 3 to 5 pieces	396
Valplast or Flexite prosthesis over 6 pieces	428
Preparation and placing of repairs or composting	65
For added pieces (each one)	65
Neobase (up to 5 pieces)	72
Neobase (more than 5 pieces)	150
Valplast or Flexite with skeletal inclusion and parts, from 1 to 5	485
Valplast or Flexite with skeletal inclusion and pieces of 6 or more	540
Sceletile prosthesis	
Skeleton (Base structure for one or more pieces)	145
Skeleton (Acrylic finish per piece)	35
Weld pads (each one)	32
Plywood pieces (each one)	32
braces precision (attaches) (each unit)	60
Aesthetic hooks (acetal resin) (each)	76
Replacement of retention systems (cavallets or teflons)	46
9 - ORAL SURGERY	
Remove points	S/C
Extractions that do not require surgery (excluding cordal or parts included)	S/C
Extractions requiring surgery (excluding parts included)	100
Odontosection extraction	29
Extraction of any piece included (one piece)	110
Simple cordial extraction without surgery	60
Extraction of wisdom tooth semi-included	70
Extraction of cordal included	110
Radicular rest with surgery	70
Questectomy (maxillary cysts)	106
Periapical surgery (apicectomy included)	106
Dent included. Fenestra	85
Fre lingual or labial. Frenectomy	75
Radical therapeutic amputation (hemisection)	32
Replacement of pieces (per piece)	69
Regularization of alveolar edges	55
biopsy	S/C
Maxillary torus (each)	45
Smaller surgery (soft tissues)	70
Prerebration surgery	106
Opening and drainage abscesses (each one)	60
Placement of biological materials (Lyophilized Os and other biomaterials)	225

Guided Tissue Regeneration with Slow Reabsorption Membrane	225
Guided Tissue Regeneration with Resorbable Membrane	380
Membrane fastening system (titanium pin, each)	30
Obtaining and Application of Plasma Rich in Plates	175
10 - IMPLANTOLOGY	
Implantological study	S/C
False titanium blanket	S/C
Healing screw	S/C
Cementation screw	S/C
Surgical splint	S/C
Radiation splint	S/C
Placement of an implant	670
Implant of immediate charge (unit)	875
Implantology reviews	S/C
Annual maintenance and adjustment of prosthesis and implant (for implant)	20
Surgical implant maintenance (for implant)	58
Ceramic crown on implant	255
Zirconium crown on implant	410
Provisional crown on implant	29
Provisional crown on immediate implant	35
Prosthetic implant addition (includes cemented / screwed pillar, calcinable, retention screw and transepithelial)	110
Prosthetic addition on immediate implant	169
Ceramic bridge unit in implant pouch	230
Hybrid denture (upper or lower)	1670
Hybrid denture (top and lower)	3120
Overdenture on implant	610
Mesoestructura in bar	555
Elmaxillary elevation	375
Prosthetics mucosupported bar system (includes bars and easels) (by arcade)	800
Prosthesis mucosoportada (by arcade)	800
Locators (each)	285
Replacement of retention systems (Cavallets o Teflons or Females de Sobredentadura)	49
Replacements complete with easels on bar. (cavallets or teflons)	365
11 - DENTAL AESTHETICS	
Encerated for diagnostic study	20
Porcelain inlay	140
Porcelain veneers (per piece)	200
Crown or ceramic bridge without metal type in ceram, procera, empress (by piece)	330
Crown or Zirconium Bridge (per piece)	395
Whitening in consultation (for dental arches, sessions included)	135
Dental bleaching per piece each session	49
Internal whitening (per piece) each session	55
Dental whitening at home (splints, kit and visits included). Total	170
Combined dental whitening, ask for more domicile. Total	400
Composite racks (per piece)	75
12 - FACIAL AESTHETICS (service available in the provincial capitals)	
Facial mesotherapy (per session)	120
Nasogeny hyaluronic acid and puppet lines (per session)	280
Hyaluronic Acid Lips (By Road)	280
Hyaluronic Acid Nasogeny + Puppet + Lip (per session)	370
Barcode (Hyaluronic Acid) per session	320
13 - TEMPOROMANDIBULAR ARTICLE PATHOLOGY-ATM	

Study Articulation, Anamnesis, Exploration, Recording, Assembly and Analysis in Articulator.	85
Periodic review (annual)	35
Picked selective. Occlusal adjustment (includes assembly of models in semi-adjustable articulator) (Full treatment)	80
Occlusal analysis and selective cutting in patients with interferences	S/C
Treatment with neuromyaxant discharge wrap. Michigan type	138
Anti snoring splint	560
Treatment with mandibular advance splint	286
Repairs, rebounds and readjustments of Férula	33
Laying of elastic buttons and class III (unit)	135

14 - OTHERS

Precious or semi-precious metal surcharges	Seg. Cot.
--	-----------

15 - INVISIBLE-INVISALIGN ORTHODONTIC (only in authorized clinics, check availability)

Orthodontic treatment with Invisalign (up to 12 months) Includes: Invisalign study, aligners and refinement (only one) and Invisalign retainers. Does not include reopening	3600
Orthodontic treatment with Invisalign (Up to 18 months) Includes: Invisalign study, alignments and refinement and Invisalign retainers	3900
Orthodontic treatment with Invisalign (Up to 24 months) Includes: Invisalign study, alignments and refinement and Invisalign retainers	4200
Renewal for Alignment Loss (Unit)	160
Restart of Interruption Treatment (New Study)	450
Correction during treatment (Study and alignment)	225
Retention phase with Invisaling retainers (VIVERA supplement)	440

16 - LANGUAGE ORTHODONTICS (consult clinics where the treatment is available)

Orthodontic treatment with lingual brackets (By arcade)	1800
Periodic visits for lingual orthodontics	125
Replacement of lingual brackets (Unit)	200
Placement of lingual orthodontist retainers (Unit)	105

* NOTE: Preparation, placement and prosthesis are included. Invoices rereferring to these acts must be asjusted tothe Law 29/2006, of July 26 th (should separate the fees from the manu facturing costs of the prescribed medical devices).

** For tractments performed at the clinic.
