

Gingivectomy (quadrant)

## **DENTAL BASIC POLICY RATE 2020**

€

40

**TREATMENTS** 

1 - FIRST VISIT First Visit and budget proposal S/C S/C Follow up visit Emergency visit S/C 2 - PREVENTIVE DENTISTRY **Bucodental Education** S/C Training in tooth brushing technique S/C Fluorations S/C Occlusal sealers 10 Mouth cleansing Tartrectomy - (both arches) on healthy peiodonto S/C Soft splint treatment 120 Mouthguard splint treatment (for sport) 157 3 - RADIOLOGY Dental X-rays (periapical, set of bitewing, occlusal) S/C Orthopantomography (Dental Panoramic) 28 Crani lateral or frontal teleradiography 28 ATM Radiography 31 Tomographic Study (TAC) An Arcade 115 Tomographic Study (TAC) Two Arcades 150 Periodontal radiographic series 43 4 - OBTURATIONS Provisional filling 12 34 Simple or compound filling 40 Reconstruction angle of the crown 53 Total coronary reconstruction Reconstruction of tooth stump 58 5 - ENDODONTICS Endodontics machined with rotary material (supplement) 33 Uniradicular Root Canal Treatment 75 125 Multiradicular Root Canal Treatment Re Root Canal Treatment Uniradiculars 93 Re Root Canal Treatment Multiradiculars 145 Pulp protector(nerve coating) 21 Nerve drainage opening (without endodontic treatment) 25 Pulpotomy (pulp cameral) 50 Pulpectomy (pulp cameral more radicular) 63 6 - PERIODONICS Diagnosis and probing S/C Picked selective 30 Occlusal analysis 60 Periodontogram 55 Curettage (quadrant) 25 Rasched and straightened root (quadrant) 45 Periodontal surgery (surgical curettage per piece) 25 Widman modified (quadrant) 218 Mucus-gingival plastics (quadrant) 218 Tooth ferulation in periodontal treatment (tooth) 35 Periodontal maintenance (quadrant) 30 Post-operative periodontal maintenance (session) 32

## 7 - ORTHODONTICS

Cephalometric study (includes molds)	S/C 55
Study photographic	23
Orthodontic review visits	35
Orthodontic review visits Orthodontic treatment with fixed appliances (arcade)	280
	240
Orthodontic treatment with mobile devices (each device)	700
Orthodontic treatment with self-adhesive brackets (arcade) Installation of auxiliary devices (quadhelix, bihelix, nance button, palatal bar, chinchamps, extra oral anchors,	700
bumper, facial mask) (each device) (placement is included)	100
Replacement of brackets (drive)	3
Replacement of aesthetic brackets (unit)	5
Laying retaining plates, splint or hawley, (unit)	120
Tooth ferulation (tooth)	35
Fixed space maintainer	70
Mobile space maintainer	75
Recharge for porcelain brackets (arcade)	410
Surcharge for fiberglass brackets (arcade)	175
8 - FIXED PROSTHESIS	
Crown or acrylic provisional bridge (piece)	21
Metal Partial crown or inlay (piece)	115
Crown metal casting (piece)	110
Multiradicular casting stump	78
Uniradicular casting stump	70
Crown or porcelain metal bridge (piece)	200
Crown or porcelain bridge (piece)	210
Maryland Bridge (piece and two supports)	310
Ackerman Bar (separated crown / each section)	65
Simple compositions of removable prostheses (by piece to be placed or non-collated hook) (applicable to the	27
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)	
clinics that have performed the prosthesis)	80
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed	80 49
clinics that have performed the prosthesis)  Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)	80 49 S/C
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)	37 80 49 S/C 42
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis	80 49 S/C 42
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)	80 49 S/C 42 315
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)	80 49 S/C 42 315
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable acrylic (1 to 3 pieces)	80 49 S/C
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)	80 49 S/C 42 315 600 260
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable acrylic (1 to 3 pieces)  Acrylic partial removable acrylic (of 7 or more pieces)	80 49 S/C 42 315 600 260 350
clinics that have performed the prosthesis)  Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable acrylic (1 to 3 pieces)  Acrylic partial removable prosthetics (4 to 6 pieces)  Partial partial removable acrylic (of 7 or more pieces)  Skeleton prosthesis	80 49 S/C 42 315 600 260 350 410
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable acrylic (1 to 3 pieces)  Acrylic partial removable prosthetics (4 to 6 pieces)  Partial partial removable acrylic (of 7 or more pieces)  Skeleton prosthesis  Skeleton (Base structure for one or more pieces)	80 49 S/C 42 315 600 260 350 410
clinics that have performed the prosthesis)  Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable acrylic (1 to 3 pieces)  Acrylic partial removable prosthetics (4 to 6 pieces)  Partial partial removable acrylic (of 7 or more pieces)  Skeleton prosthesis	80 49 S/C 42 315 600 260 350
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable acrylic (1 to 3 pieces)  Acrylic partial removable acrylic (of 7 or more pieces)  Skeleton prosthesis  Skeleton (Base structure for one or more pieces)  Skeleton (Acrylic finish per piece)	80 49 S/C 42 315 600 260 350 410 220 35
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable acrylic (1 to 3 pieces)  Acrylic partial removable prosthetics (4 to 6 pieces)  Partial partial removable acrylic (of 7 or more pieces)  Skeleton prosthesis  Skeleton (Base structure for one or more pieces)  Skeleton (Acrylic finish per piece)  Braces precision (attaches) (unit)	80 49 S/C 42 315 600 260 350 410 220 35
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable acrylic (1 to 3 pieces)  Acrylic partial removable prosthetics (4 to 6 pieces)  Partial partial removable acrylic (of 7 or more pieces)  Skeleton prosthesis  Skeleton (Base structure for one or more pieces)  Skeleton (Acrylic finish per piece)  Braces precision (attaches) (unit)	80 49 S/C 42 315 600 260 350 410 220 35 112
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Act new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable acrylic (1 to 3 pieces)  Acrylic partial removable prosthetics (4 to 6 pieces)  Partial partial removable acrylic (of 7 or more pieces)  Skeleton prosthesis  Skeleton (Base structure for one or more pieces)  Skeleton (Acrylic finish per piece)  Braces precision (attaches) (unit)  9 - ORAL SURGERY  Remove points	80 49 S/C 42 315 600 260 350 410 220 35 112 S/C
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable acrylic (1 to 3 pieces)  Acrylic partial removable acrylic (of 7 or more pieces)  Skeleton prosthesis  Skeleton (Base structure for one or more pieces)  Skeleton (Acrylic finish per piece)  Braces precision (attaches) (unit)  9 - ORAL SURGERY  Remove points  Extractions that do not require surgery (excluding cordal or parts included)	80 49 S/C 42 315 600 260 350 410 220 35 112 S/C 18
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable acrylic (1 to 3 pieces)  Acrylic partial removable prosthetics (4 to 6 pieces)  Partial partial removable acrylic (of 7 or more pieces)  Skeleton prosthesis  Skeleton (Base structure for one or more pieces)  Braces precision (attaches) (unit)  9 - ORAL SURGERY  Remove points  Extractions that do not require surgery (excluding cordal or parts included)  Extractions requiring surgery (excluding parts included)	80 49 S/C 42 315 600 260 350 410 220 35 112 S/C 18 107 36
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable acrylic (1 to 3 pieces)  Acrylic partial removable acrylic (of 7 or more pieces)  Skeleton prosthesis  Skeleton (Base structure for one or more pieces)  Skeleton (Acrylic finish per piece)  Braces precision (attaches) (unit)  9 - ORAL SURGERY  Remove points  Extractions that do not require surgery (excluding cordal or parts included)  Extractions requiring surgery (excluding parts included)  Odontosection extraction	80 49 S/C 42 315 600 260 350 410 220 35 112 S/C 18 107 36
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable acrylic (1 to 3 pieces)  Acrylic partial removable acrylic (of 7 or more pieces)  Skeleton prosthesis  Skeleton (Base structure for one or more pieces)  Skeleton (Acrylic finish per piece)  Braces precision (attaches) (unit)  9 - ORAL SURGERY  Remove points  Extractions that do not require surgery (excluding cordal or parts included)  Extractions requiring surgery (excluding parts included)  Odontosection extraction  Extraction of any piece included (piece)	80 49 S/C 42 315 600 260 350 410 220 35 112 S/C 18 107 36 120 65
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable prosthesis (to pand lower)  Partial partial removable prosthetics (4 to 6 pieces)  Acrylic partial removable acrylic (of 7 or more pieces)  Skeleton prosthesis  Skeleton (Base structure for one or more pieces)  Skeleton (Acrylic finish per piece)  Braces precision (attaches) (unit)  9 - ORAL SURGERY  Remove points  Extractions that do not require surgery (excluding cordal or parts included)  Extractions requiring surgery (excluding parts included)  Odontosection extraction  Extraction of any piece included (piece)  Simple cordial extraction without surgery	80 49 S/C 42 315 600 260 350 410 220 35 112 S/C 18 107 36 120 65
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable acrylic (1 to 3 pieces)  Acrylic partial removable prosthetics (4 to 6 pieces)  Partial partial removable acrylic (of 7 or more pieces)  Skeleton prosthesis  Skeleton (Base structure for one or more pieces)  Skeleton (Acrylic finish per piece)  Braces precision (attaches) (unit)  9 - ORAL SURGERY  Remove points  Extractions that do not require surgery (excluding cordal or parts included)  Extractions requiring surgery (excluding parts included)  Odontosection extraction  Extraction of any piece included (piece)  Simple cordial extraction without surgery  Extraction of wisdom tooth semi-included	80 49 S/C 42 315 600 260 350 410 220 35
Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable acrylic (1 to 3 pieces)  Acrylic partial removable prosthetics (4 to 6 pieces)  Partial partial removable acrylic (of 7 or more pieces)  Skeleton prosthesis  Skeleton (Base structure for one or more pieces)  Skeleton (Acrylic finish per piece)  Braces precision (attaches) (unit)  9 - ORAL SURGERY  Remove points  Extractions that do not require surgery (excluding cordal or parts included)  Odontosection extraction  Extraction of any piece included (piece)  Simple cordial extraction without surgery  Extraction of wisdom tooth semi-included  Extraction of cordal included	80 49 S/C 42 315 600 260 350 410 220 35 112 S/C 18 107 36 120 65 75
clinics that have performed the prosthesis)  Compostadura welding (each one) (applicable to the clinics that have performed the prosthesis)  Weld hook or retainer (applicable to the clinics that have performed the prosthesis)  Occlusal adjustments without mounting in prosthesis articulator (applicable to the clinics that have performed the prosthesis)  Add new pieces to made devices (unit)  Acrylic removable prosthesis  Complete removable prosthesis (upper or lower)  Complete removable prosthesis (top and lower)  Partial partial removable acrylic (1 to 3 pieces)  Acrylic partial removable prosthetics (4 to 6 pieces)  Partial partial removable acrylic (of 7 or more pieces)  Skeleton prosthesis  Skeleton (Base structure for one or more pieces)  Skeleton (Acrylic finish per piece)  Braces precision (attaches) (unit)  9 - ORAL SURGERY  Remove points  Extractions that do not require surgery (excluding cordal or parts included)  Odontosection extraction  Extraction of any piece included (piece)  Simple cordial extraction without surgery  Extraction of wisdom tooth semi-included  Extraction of orordal included  Radicular rest with surgery	80 49 S/C 42 315 600 260 350 410 220 35 112 S/C 18 107 36 120 65 75

Radical therapeutic amputation (hemisection)	90
Replacement of pieces (piece)	79
Placement of biological materials (Lyophilized Os and other biomaterials)	295
Guided Tissue Regeneration with Slow Reabsorption Membrane	295
10 - IMPLANTOLOGY	
Implantological study	S/C
False titanium blanket	S/C
Healing screw	S/C
Cementation screw	S/C
Surgical splint	70
Radiation splint	70
Placement of an implant	670
Immediat loading Implant (unit)	875
Annual maintenance and adjustment of prosthesis and implant (implant)	23
Metal-Ceramic crown on implant	300
Provisional crown on implant	31
Provisional crown on immediate implant	37
Dental abutment implant (straight / angled pillar) (includes cemented / screwed pillar, calcinable, retention screw and transepithelial)	120
Dental abutment implant on immediate loading implant	187
Ceramic bridge unit in pontic or implant	300
Hybrid denture (top and lower)	3500
Overdenture on implant	610
Mesoestructura in bar	625
11 - DENTAL AESTHETICS	
Porcela inInlay	140
Porcelain veneers (piece)	215
Dental Whitening in consultation (for dental arches, sessions included)*	150
Dental bleaching per piece and session	49
Composite veneer (piece)	75
12 - TEMPOROMANDIBULAR ARTICLE PATHOLOGY - ATM	
Treatment with neuromyraxant discharge wrap. Michigan type	157
13 - OTHERS	
Precious or semi-precious metal surcharges	Seg. Cot.
